This is a memorable adventure and perfect for the novice or experienced paddler.

Environmental Traveling Companions

Environmental Traveling Companions (ETC) has been providing outdoor adventure opportunities to people of all abilities and backgrounds since 1972. Beginning on the banks of the Stanislaus River, ETC began using volunteers to take people with disabilities and youth from under-resourced backgrounds on whitewater rafting trips. Decades later the organization has grown to include four main programs: whitewater rafting, sea kayaking, cross country skiing, and youth leadership development courses and is recognized as a pioneer in the industry of accessible outdoor adventure. With this growth, ETC has still maintained a strong community, where most trips are staffed by volunteer guides and participants are fully engaged in all aspect of the adventure. An ETC adventure is a unique opportunity to experience nature, achieve growth through challenge, and develop stronger bonds with fellow adventurers.

Trip Overview

- **Day 1:** Participants are invited to arrive between 4:00PM and 6:00PM. We'll get settled into our front-country campsite for the night, then have a communal dinner followed by a trip orientation meeting to go over the plan for the weekend and answer any questions.
- **Day 2:** After a delicious breakfast the guides will orient the group to kayaking then together we'll pack our equipment in the boats in preparation for our two nights of backcountry camping. We'll then hop in our kayak for about a three-hour paddle (6 miles) to Emerald Bay, affording us incredible views of the Sierra Nevada Mountains and the Late Tahoe shoreline. Once at our backcountry campsite, we'll set up our tents and have an evening to relax and enjoy the company of our group.
- **Day 3:** On this layover day, there are several options that we'll decide up on as a group. Options include paddling more to further explore Emerald Bay, hiking to adventure in new areas, or have a more leisurely day in camp to relax and enjoy the scenery.
- **Day 4:** On our last day of the trip, we'll load our kayaks with all our equipment then enjoy a beautiful paddle back to our starting point for the close of the trip. After a closing circle, you'll be on your way home by about 4:00PM.

Trip Location

The trip will begin and end at D.L. Bliss State Park on the southwest side of Lake Tahoe (approximately 4 hours from the San Francisco Bay Area). We will be meeting at Campsite 97. Please see attached driving directions.

Guides

ETC uses volunteer and paid Guides who are highly experienced and trained in sea kayak guiding, first aid/CPR, and working with people of all abilities and backgrounds. All Guides are enthusiastic, caring, and responsible individuals who give generously because they enjoy sharing outdoor adventure and beautiful place with diverse groups.

Special Needs Accommodations

ETC is committed to making outdoor adventure accessible to people with special needs and our Guides are experienced in making adaptations for a wide range of physical and cognitive abilities. In order for us to be prepared, we ask each participant discuss any special needs with the Sea Kayak Program Manager no less than 7 days prior to the trip.

Due to the size limitations of our kayaks, people over 250 lbs. may not comfortably fit in the cockpit and could pose a safety risk should the kayak accidentally capsize. If your group will have someone over 250 lbs. please discuss this with the Sea Kayak Program Manager no later than one week prior to your trip.

Equipment

ETC provides all sea kayak specific equipment, including kayaks, personal floatation devices (PFDs), spray skirts, paddling jackets, paddles, and safety equipment. ETC additionally provides overnight equipment including tents, sleeping pads, and kitchen equipment. ETC does not provide personal equipment, and thus there is an enclosed "Equipment List" outlining what each person should bring with them. Also, ETC does not provide sleeping bags, though these can often be rented from outdoor equipment retail stores. We understand that outdoor equipment is expensive and do not ask individuals purchase special items for their trip (many people already own clothing that is appropriate for sea kayaking). If you have questions about equipment please contact the Sea Kayak Program Manager.

Transportation

Transportation is not included in this trip. Participants are responsible for transporting themselves to and from Lake Tahoe.

Food

Delicious food is included in the cost of the trip, beginning with dinner on Thursday evening and ending with lunch on Sunday. Please contact the Sea Kayak Program Manager no less than 7 days prior to the trip with any dietary restrictions or concerns.

Overnight Accommodations

The first night of the trip we'll be camping at D.L. Bliss State Park, a front-country campsite where we'll be in close proximity to our vehicles. The second two nights of the trip we'll be staying at Emerald Bay State Park. Emerald Bay State park is a boat-in only campsite, so we'll bring all our belongings with us in the kayaks. To accommodate special needs, we will transport wheelchairs or other adaptive equipment by vehicle to Emerald Bay State Park.

Furthermore, ETC employees have difficult jobs to perform. They seek safety, but they are not infallible. They might be unaware of a participant's fitness or abilities. 2. I expressly agree and promise to accept and assume all of the risks existing in this activity. My participation in this activity is purely voluntary, and I elect to participate in spite of the risks.

3. I hereby voluntarily release, forever discharge, and agree to indemnify and hold harmless ETC from any and all claims, demands, or causes of action, which are in any way connected with my participation in this activity or my use of ETC's equipment or facilities, **including any such claims which allege negligent acts or omissions of ETC.**

5. I certify that I have adequate insurance to cover any injury or damage I may cause or suffer while participating, or else I agree to bear the costs of such injury or damage myself. I further certify that I am willing to assume the risk of any medical or physical condition I may have.

6. In the event that I file a lawsuit against ETC, I agree to do so solely in the state of California, and I further agree that the substantive law of that state shall apply in that action without regard to the conflict of law rules of that state. I agree that if any portion of this agreement is found to be void or unenforceable, the remaining portions shall remain in full force and effect.

I hereby release, waive, and relinquish all claims and legal actions for personal injury, wrongful death or property damage against the U.S. Department of the Interior – Bureau of Reclamation ("U.S. Government), State of California, its department of Parks and Recreation ("State") or its permittees arising as a result of my participation in the whitewater river trips and related activities described herein, my use of permittee's equipment, or any activities incidental there to include rescue activities; This release applies even if permittee and/or state and/or U.S. Government are negligent or otherwise at fault. I also agree to protect, hold harmless, defend and indemnify permittee, state and U.S. Government and hold them harmless from all claims and legal actions for personal injury, death, or property damage arising from my conduct; these indemnities apply even if permittee, state and U.S. Government are negligent or otherwise at fault.
